Great Point Capital is a [FINRA](#) registered broker-dealer providing diverse trading services to the active trading community. GPC is led by seasoned equity trading professionals with years of management experience. GPC strongly believes in the entrepreneurial spirit and encourages all of our members and clients to contribute independently in shaping our future. We employ a unique blend of diligent business savvy professionals that assist us in establishing the firm mantra as a leading financial organization. The firm's success is a result of its commitment to cutting edge technology and world class support.

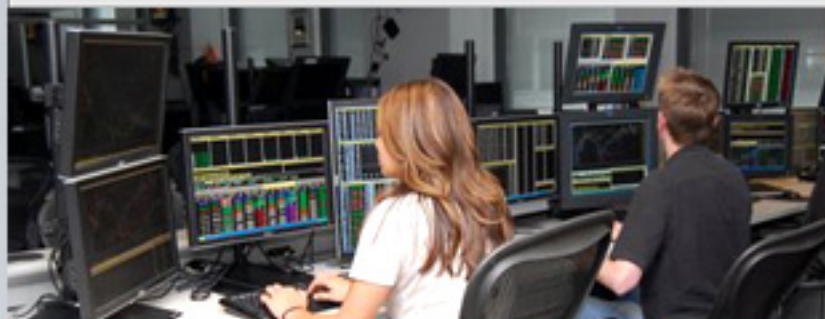

Great Point Capital is headquartered in downtown Chicago with expanding business relationships in Texas, Nevada and New York. With this established network of locations, GPC is well-suited to accommodate the needs of trading professionals all around the United States.

GPC was created in 2002 by two successful traders with entrepreneurial character that wanted to provide the trading community with something different. Their goal was to provide independent, professional traders access to the technology, rates and support necessary to survive in the ultra-competitive and unpredictable marketplace. Today, GPC is comprised of some of the top traders in the industry and we continuously strive to adapt and satisfy the needs of our traders and customers. If you consider trading a career and not a hobby, explore our site to discover what GPC has to offer.

GPC Member Opportunities

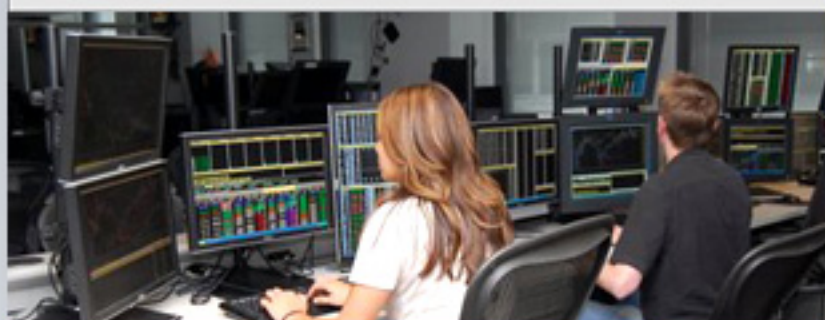

Experienced traders with a proven stock trading track record will benefit from joining Great Point Capital's Member Organization by receiving all the same benefits as a premier firm. GPC offers state-of-the-art software and trading tools, competitive payouts, automated programs and remote trading. GPC is built to accommodate and provide solutions to individual professional traders, trading groups, hedge funds and new startup trading firms. We want to assist you in taking your trading career or business to the next level by providing you with the necessary capital, proper risk management and by passing along our low transaction costs.

- **Remote Traders:** If you work better from your own home, GPC offers the support and market access you need to be a successful trader.
- **Office Traders:** For those traders that operate better in a more structured office environment, GPC maintains locations near major exchanges to suit these needs. We have office locations across the U.S., including Chicago, New York, Texas, and Nevada.
- **Customers/Retail Accounts:** GPC can accommodate trading professionals looking for many different types of opportunities. If becoming a customer or opening a retail account at GPC is the best fit for you, please [click here](#) to be directed to our customer site for more information or [contact us](#).
- **Great Point Trading** is GPC's provider of office and corporate services and has long embraced accommodating individuals as well as smaller trading groups, firms and larger institutions of all types. If you are looking for a space of your own for you or your company, Great Point Trading leases desk and office space in our Chicago office. Our office is located downtown in the Loop. Equipment and clearing services can be provided for the right group. Space is furnished and has connectivity to major exchanges. Rates and terms are negotiable. Please visit [Great Point Trading's site](#) for more information.
- **Expansion:** If you have stock market and managerial experience, we want you to be apart of our growth. GPC is always looking for new opportunities in the United States and abroad. If you're interested in opening a branch office or managing a future location, please [contact us](#).

If you would like to be considered for membership to Great Point Capital, please [contact us](#) with a copy of your resume and a track record of your last 3 years. The track record submitted must reflect experience in day trading stocks.
