

## Our Firm

Grant Schumann is a Chicago-based law firm that provides high quality legal services in an efficient and cost effective manner. We serve large corporations, small businesses, governmental entities and individual clients through the following [practice areas](#):

- Commercial Litigation
- Governmental Liability
- Real Estate, Commercial Lending and Corporate Services
- Employment
- White Collar Criminal Defense
- Bankruptcy Law and Creditor's Rights

At Grant Schumann, we provide [our clients](#) with all of the advantages of a large firm, such as extensive experience and expertise in unique areas of the law, with the innovation, personal attention and affordability associated with a smaller firm. Our attorneys have established a reputation for integrity and credibility, not only among our colleagues, but more importantly among our clients.

Grant Schumann was established in 2004. Our founding principals have over 50 years of combined litigation and transactional legal experience. They organized Grant Schumann to combine the law firm's deep and diverse skills to better serve their large corporate, small business, governmental, and individual clients.
